

Identification - For the protection of our patients, and to reduce medical identity theft, all patients are required to present a valid insurance ID card AND a driver's license OR a valid photo ID at the time of service. You may email these items to info@cehcharlotte.com

Missed Appointments - There will be a \$85.00 fee for any missed appointments unless the appointment was canceled or rescheduled at least 24 hours in advance. It is still considered a no show, even if you do not receive a courtesy call. If you incur this \$85.00 fee, we cannot refill prescriptions, comply with requests for record transfers, or any other requests until this fee has been paid. Any balance must be paid prior to receiving any services. If you receive three (3) no shows, you are subject to being discharged.

Inappropriate Behavior - Patients may be discharged due to disruptive behavior or non-compliance of treatment.

Late Appointments - If a patient is 5 minutes late for a follow-up medication management appointment, OR 15 minutes late for an initial appointment, OR 15 minutes late for a follow up appointment with a therapist, the patient must reschedule.

Prescription Refills - It is the patient's responsibility to schedule a follow up appointment BEFORE the prescription runs out to ensure a continued supply of the prescription. If you are prescribed medication, you will be provided an initial prescription and refills to last until the suggested follow up visit. Medication refill requests will be denied if the patient fails to keep follow up appointments. Routine prescription refills will not be provided on the weekends.

Disability - As of Monday, April 4th, 2022, we will no longer be offering disability services to patients. However, we will continue to offer FMLA services as well as provide records for Disability cases that have been initiated outside of CEH. FMLA services will be subject to a fee that must be paid in advance.

Medical Records – Records can be released for a fee of \$10.00. This fee must be paid in advance. All medical record requests are subject to be denied per office policy. Record requests may take up to 7-10 business days to be completed.

Custody: CEH does not participate in any type of custody proceedings or disputes. CEH has the right to discontinue services for custody-related services.

Messages - Messages will be returned in the order of which they are received, however, if it is an emergency, please call 911.

Parent/guardian(s) of children 12 and under must stay on the premises during the entire appointment. Patients 17 and under must be accompanied by a parent or legal guardian to all medication management appointments and other treatment services.

Above policies and procedures are not applicable to all CEH programs and services offered.

Compliance Assurance Notification

All health professionals and office staff continuously undergo training so that they may understand and comply with government rules and regulations regarding the Health Insurance Portability and Accountability Act (HIPAA) with particular emphasis on the "Privacy Rule." We strive to achieve the highest standards of ethics and integrity in performing services for our patients. It is our policy to properly determine appropriate uses of Personal Health Information (PHI) in accordance with HIPAA. We are required by law to maintain the privacy of, and provide individuals with this notice of our legal duties and privacy practices with respect to PHI. We want to ensure our patients that our practice will not knowingly contribute in any way to the growing problem of improper disclosure of PHI. As part of this plan, we have implanted a Compliance Program that will help prevent any inappropriate use of PHI. Any questions regarding this policy may be directed to the Office Manager.

Patient's Rights & Responsibilities

If you are or have been a patient of mental health services, you have the right to:

- Access services that are appropriate to your disability, culture, language, gender, and age
- Be treated with respect and with due consideration for your dignity and privacy
- Receive information on available treatment options and alternatives, presented in a manner appropriate to your condition and ability to understand
- Participate in decisions regarding your health care, including the right to refuse treatment
- Be free from any form of restraint or seclusion used as a means of coercion, discipline, convenience, or retaliation
- An individualized treatment plan to ensure quality care and coordination of care.

I acknowledge the above information and my patient rights and responsibilities. A copy of the patient rights and the consumer handbook for mental health from NC Department of Health and Human Services is available to me in each CEH office or by request.

Insurance Information

****We only bill primary insurance. No secondary insurance will be accepted****

Do you have Medicare? Yes No

Please be advised CEH does not accept Medicare as primary or secondary insurance. If at any time your insurance coverage changes to Medicare, you must inform the CEH billing department immediately. Patients who fail to inform the billing department may incur a balance, and/or are subject to discharge. Please sign below acknowledging that you do not have Medicare coverage and that you will inform CEH if there are any changes to your coverage.

Insurance Waiver and Authorization for Payment of Services

I understand that fees paid by my insurance company to CEH for specific services rendered are subject to change. All payments and balances must be paid in order to receive services. Upon receiving final accounting and payment from my insurance company, an additional payment may be required to settle my account with CEH. I understand it is my responsibility to inform the office if my insurance coverage changes at any point in time. I understand that I am financially responsible for any unpaid balance and/or charges not covered/paid by my insurance company. I authorize and request my insurance benefits be paid directly to CEH. This authorization will cover all treatment and services rendered until a written notice of cancellation is received.

Refund Policy

There are no refunds to services received for therapy, medication management, processing of forms, or completion of any paperwork, except where CEH is unable to provide services. In such a case, the request for a refund must be reviewed by upper management. Patients that dispute charges for services rendered will be charged a \$50 administration fee and will no longer be permitted to pay by credit card or debit card. All future payments must be paid in cash in order to receive services.

Urine Screen FAQ

Why do I need to provide a urine sample?

For your health and safety of our patients, CEH collects urine samples to comply with suggested federal guidelines. By monitoring urine samples CEH is able to:

- Understand the actual levels of drugs present in a patient
- Identify dangerous drug to drug cross-reactivity
- Monitor compliance with treatment plans

How often will I have to do this?

CEH complies with federal guidelines that require providers to limit patient drug diversion. Patients are subject to random drug testing.

How was I chosen?

This office will collect samples from ALL patients initially, as well as perform random collections for all patients who are prescribed medications

Who will see the results?

Our office staff and lab personnel are authorized to view your lab results.

** It is CEH policy that we cannot prescribe medication to patients that fail a drug test or have a prior history of substance abuse. We will be able to assist in alternative medications to treat patients.

I consent to drug testing.

I do not consent to drug testing. By checking this option, I will not receive any controlled medications. I have reviewed this form and agree to the CEH policy above.
